Strong and Powerful

Strontium® AMMO USB flash drive is extremely powerful with the enhanced transfer speed of USB 3.1 interface. It is the perfect option for facilitating ultra fast, multi-stream data transfer.

USB 3.1 high performance with fast transfer speed.

With up to 120MB/s Read speed, Strontium® AMMO USB 3.1 drive is ideal for desktops and notebooks with USB 3.1 ports and it is also backwards compatible with USB3.0 & USB2.0.

Splash proof Design.

Strontium® AMMO USB drive is manufactured under the special chip-on-board (COB) process which results in high splash proof feature, it eliminates any worries about losing valuable data due to spilled drinks. In addition, it comes with a key chain to conveniently allow you to carry it anywhere you go.

Ergonomic design with lightweight metal body.

Ergonomically designed with the user's experience in mind, Strontium® Ammo USB drive is built with a soft curve surface that is contoured for a comfortable grip. The robust and lightweight metal touch body is perfectly suited to endure the daily challenges of your extreme lifestyle.

Memories deteriorate. Strontium® doesn't.
